A NUDE MODEL
CONFESSES:
"Why we are the
way we are!"

RAMONA'S
OBSESSION

"I know I'm
asking for it,
but I can't stop!"

BEAUTIFUL GIRLS
TELL YOU HOW
TO MAKE THEM

playing with customers while
I'm supposed to be working,
but if a customer needs
to have a pair of pants
altered I've got a perfect
excuse to be on my knees in
front of him, don't I?
So what's really great is
when I turn on to a guy who
turns on to me, and he suggests
that I help him in choosing
pairs of pants that, of course,
I'm ~~supposed~~ ^{so} ~~to be~~ ^{so} ~~altered~~ ^{altered}."

"Most of the girls working in stores get pretty bored during the day, and we don't mind a little change in the routine. But it is important to remember that a girl can lose her job if she's seen messing around on company time, so please, although we welcome the attention most of the time, if the supervisor's watching, play it cool, OK?"
